## Message from the President

Welcome everyone! We knew that 2010 was going to take off and good things are happening already. The Howard Suamico School District launched their new promotional video showcasing our fine community as well as what our school has to offer. It is not only available to perspective students and people moving into our area but also businesses that are looking for areas to grow and expand. At our January dinner meeting we had the President of the Howard Suamico Historical Society, Nancy O'Kelley as our guest speaker. She shared how the Howard Suamico Historical Society got started and where it is going. I was out of town but my wife and one of our employees attended and they were pleased and said it was very interesting. We have committed to the Beer Belly Run spaghetti dinner which will be held on June 26th, the night before the run. We are in need of volunteers for that event. Please consider coming for some mouth watering food and possibly help raise funds for future projects.

May 20th is the annual Giving Tree "Taste of the Village" event. I would like to ask all members to bring a friend or customer to this. Last year it was one of THE best events I have ever been to and I am sure this year should be the same. The local restaurants had a large variety of fantastic food as well as a lot of great auction items.

The monthly meetings scheduled are going to be 'must attend events'. The Education Committee has put together some great, informative and fun things for our monthly dinner meetings, please mark your calendars and try to make them. We will also have a representative from Fox 11 attending the next couple of meetings to inform our members of a co-op advertising campaign that has been very affordable and effective to other organizations in the area.

Thank You,  
Jim Van Den Elzen
